

FERA 2017

Announcing the 62nd
Annual Conference of the

Florida Educational Research Association (FERA)

The Hilton Cocoa Beach in Cocoa Beach, FL
November 15-17, 2017

Call for Proposal Deadline: **September 1, 2017**
Submit to fera.proposal@gmail.com

FERA is not just for statisticians and methodologists. It reaches a very diverse audience with researchers from all disciplines and content areas.

Research topics for 2016 included: Reading and Writing, Educational Technology, Assessment, Effective Teachers and Principals, Educational Policy, Methodology in Statistics and Psychometrics, and many other topics in Applied and Theoretical Research in Education and the Behavioral Sciences.

Graduate students are welcome!
